Subject: Request for Copy of Environmental Impact Assessment

Dear Mr. Wilson,

FEPA Act 1985 - Port of Tyne Authority Disposal Licence 31995/04/1 - Disposal of Contaminated Dredgings from River Tyne to the Sea

The Marine Conservation Society (MCS) has recently been in communication with the Marine Consents & Environment Unit (MCEU) with regard to the above disposal licence granted to the Port of Tyne Authority.

The MCEU kindly supplied us with a copy of the licence and attached monitoring programme and work plan.

MCS would like to request a copy of the full Environmental Impact Assessment (EIA) from the Port of Tyne Authority, which was conducted in support of the licence application. Andy Dixon at the MCEU suggested that you would be the best person to contact in this regard.

We would be happy to receive a copy of the EIA either electronically or by post. Please advise us of any costs this might incur.

Yours sincerely,

Thomas Bell
