Implementation Committee

Correspondence as a result of information provided to the Committee from other sources

The Committee, at its eighth meeting, decided to make available on the Convention's website its correspondence with concerned Parties, as an illustration of the Committee's approach to a specific compliance issue and of a proper and sufficient response from a Party to address the issue. The Committee, at its seventeenth meeting, similarly decided to ask sources of information for their permission to publish their information on the website.

EIA/IC/INFO/y symbols used for follow-up to information provided to the Committee under rule 15 of the operating rules (decision IV/2, annex IV), "y" is an index number.
