The seventh meeting of the Conference of the Parties, in 2012, requested the Working Group on the Development of the Convention to draft a revised annex I to bring it into line with the United Nations Globally Harmonized System of Classification and Labelling of Chemicals (GHS, ST/SG/AC.10/30/Rev.4) and to maintain consistency with the corresponding European Union legislation (Seveso III Directive). The meeting also requested the Working Group to evaluate the possible amendment of the Convention to address a number of other provisions and issues.

To be held in room VIII, Palais des Nations, Geneva.
