Geneva, Palais des Nations, conference room V

The fourth meeting of the Task Force was held on 14 April 2011 in Geneva in the Palais des Nations, starting at 9.30 a.m. and ending at 5.30 p.m. It was organized back-to-back with the second Workshop on water and adaptation to climate change in transboundary basins, which was held on 12-13 April 2011 in Geneva. The working languages were English, French and Russian.

The meeting was open to experts from UNECE member States representing governmental authorities, the private sector, non-governmental and international organizations as well as other interested stakeholders. Focal points were requested to disseminate information on the meeting and to facilitate nomination of relevant experts from their respective countries.

The related background documents are available on this website. For documents of the previous meetings of the Task Force please click here.
