www.unece.org/forests/mis/presentations.html

This site provides different PowerPoint presentations including general and specific information on the forest products markets in the UNECE Region of Europe, North America and the CIS. These presentations are made and presented by and through the UNECE and FAO Timber Section. If you find these presentations useful to your work, please cite the UNECE/FAO TIMBER Database and this website as the reference. Please note that presentations made at the Timber Committee sessions (covering all product groups) can be found here.

- *Softwood Markets, 2009-2011. Presented at: International Softwood Conference, Zurich, Switzerland, 21 October 2010, by Ed Pepke*
- *Forest Products Market Develpments, 2009-2010. Presented at: European Institute for Wood Preservation Congress, Dubrovnik, Croatia, 1 September 2010, by Ed Pepke*
