www.unece.org/ead/pub/surv_031.html
and prospects in the entire ECE region. Since 1989 a major focus has been on the process of transition to market economies in central and eastern Europe and the CIS. Chapters of issue No. 1 of the *2003 Survey* are available below in PDF format. The *Survey* is also being printed and will soon be available as a United Nations publication (Sales No. E.03.11.E.26).

For an overview of the ***Survey*** please view the ***Press Releases*** below

- Eastern Europe and the CIS are set to preserve their growth momentum in 2003
- The Economic outlook for the UNECE region in 2003:clouded by downside risks
- Achieving a sustained economic recovery

Below are selected elements of this issue of the *Survey*.

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations concerning the legal status of any country, territory, city or area, or of its authorities, or concerning the delimitation of its frontiers or boundaries.
