Activities under the Espoo EIA Convention and its Protocol on SEA (period between 4th and 5th Meetings of the Parties, 2008-2011)

See also the previous activity relating to compliance and implementation:

Compliance with and implementation of the Convention, 2004-2008

Sub-activity	Results
Consideration by the Implementation Committee of received compliance submissions	See Implementation Committee regarding submissions
Report on the Committee's activities to the fifth meeting of the Parties	See documents for Meeting of the Parties
If necessary, review of the Committee's structure and functions and operating rules	See above report and annex to decision on the review of compliance -- see documents for Meeting of the Parties
Examination of the outcome of the second review of implementation	See reports of meetings of the Implementation Committee, and correspondence with Parties
Modification of the questionnaire for the report on implementation	Presented to the 12th meeting of the Working Group on EIA and included in annex to meeting report
Distribution of the questionnaire to the Parties to the Convention for them to complete and return	Distributed in second half of 2009. Return by 30 June 2010 (later extended to end 2010).
Preparation of a draft review of implementation	See documents for Meeting of the Parties
Country-specific performance reviews and technical assistance in drafting legislation, in agreement with Parties wishing to strengthen their implementation of and compliance with the Convention. Review would include a period in-country examining legislation, procedures and practice (case study)	Consultant contracted to provide assistance to Armenia in the drafting of necessary legislation - see Committee file EIA/IC/CI/1. Consultant contracted to provide an independent review for Ukraine - see Committee file EIA/IC/S/1. Consultant contracted to provide assistance to Azerbaijan in the drafting of necessary legislation - see Committee file EIA/IC/CI/2. See reports of meetings of the Implementation Committee
