The fifth meeting of the Working Group on Water and Health will take place from Thursday, 11 October at 10 a.m. to Friday, 12 October 2012 at 12:30 p.m.

It will be held back-to-back with the eighth meeting of the Protocol's Compliance Committee (10 October 2012) and the second meeting of the Drafting Group on Public Participation under the Protocol on Water and Health (10 October 2012).

The main objectives of the fifth meeting of the Working Group on Water and Health are:

to review the implementation of the programme of work for the period 2011–2013, adopted at the second session of the Meeting of the Parties to the Protocol on Water and Health (Bucharest, 23–25 November 2010)
to provide guidance on its further development, also taking into account changing conditions and limited financial means.

A special thematic discussion session on "the Protocol on Water and Health and the Green Economy" will be held on Thursday 11 October afternoon.

As done at the previous meeting, the Compliance Committee will offer the opportunity for private consultations with representatives of the Parties on the consultation process during the afternoon of 11 October. Interested Parties are invited to contact the UNECE secretariat to this end beforehand.

The working languages will be English, Russian and French.

Participants are requested to complete the registration form and to send it to the UNECE secretariat by 24 September 2012 at the latest by e-mail to katri.veldre@unece.org (and by 2 September 2012 for those requesting financial support).
