On the request of some delegates, the secretariat prepares on a trial basis a single compressed file containing all meeting document files (n:o 1, 3-15, 17-18) in English: WGE25_E.zip (1,323 kB). A similar file is available in French (WGE25_F.zip, 2,196 kB) and in Russian (WGE25_R.zip, 2,461 kB). If positive feedback is received, this procedure could be continued next year.
