# Assistance to support implementation at the national level: NPDs

**Peep Mardiste**, Regional Coordinator for NPDs
**Elina Comment**, Associate Environmental Affairs Officer
Geneva, 21 October 2015

UNECE

# Background on NPDs and activities in support of the Protocol on Water and Health

- In the Region since 2006
- Currently in 10 countries
- Funding from: European Commission, Finland, Norway, Switzerland
- Jointly implemented by UNECE and OECD
- Chaired by Romania

*Two types of involvement by NPD programme:*

- supporting target setting
- providing platform for feedback and reporting at national level

# NPD support to ratification and target setting in 2014-2015

- Armenia – Action Plan for implementation of targets and the Roadmap for Protocol ratification agreed at NPD Steering Committee (Dec 2014)
- Azerbaijan – target setting started (June 2015)
- Georgia – help in ratification process
- Kazakhstan – help in ratification process, target setting to start in Dec 2015
- Kyrgyzstan – Action plan for implementation of targets starting in Nov 2015
- Tajikistan – updating of targets to start in Nov 2015
- Turkmenistan – capacity building workshops (Oct 2014 and Apr 2015)

**NPD programme has financed Protocol activities with roughly 80 000 USD during last year**
