Dear Mr. Solovjev,
Thank you for your message and the attached information form, and additional details. Please do also send the paper originals by post, addressed to me.

We will inform the Implementation Committee of the receipt of this information in advance of the Committee's session on 20-23 March 2012. However, it is unlikely that the Committee will have time during its March session as it accords priority to submissions made by Parties and to on-going Committee initiatives. The Committee may therefore only be able to consider this information when it meets in September 2012. We will of course keep you informed of any developments.

Yours sincerely,

Nick Bonvoisin, Secretary to the Espoo Convention
Convention on Environmental Impact Assessment in a Transboundary Context (Espoo, 1991)
