PROPOSALS FOR AMENDMENTS TO ANNEXES A AND B OF ADR

Paragraph 5.4.1.1.1 h): Sale on delivery to consumers

Comments transmitted by the Government of Poland

Having studied very interesting proposals on the above subject submitted by Portugal and IRU (TRANS/WP.15/2005/19) and Austria (TRANS/WP.15/2005 /29) and taking into account the earlier important contribution made by Spain, Poland would like to suggest the following amendment to paragraph 5.4.1.1.1 h) of the ADR, which could be consider - in our opinion - as a compromise solution based on the ideas included in both documents mentioned (new text in bold).

“(h) the name and address of the consignee(s). **When dangerous goods, other than high consequence dangerous goods according to section 1.10.5, are carried to be delivered to multiple consignees that cannot be identified at the start of the carriage, the words “Delivery sale” may be given instead;**”.
