Euro-Asian Transport Links:

Progress on Euro-Asian Transport Links (EATL) work

Euro-Asian Inland Transport Links

Overview of activities

Note by the secretariat

Corrigendum

Page 9, paragraph 7

For the existing text *substitute*

Concerned about the inadequate spread and quality of transport infrastructure as well as of a lack of adequate and cost effective inland transport services between Europe and Asia, and *mindful* of the need to increase the volume of public (national and international) and private investments in the development of transport infrastructure, to enhance efficiency in transport systems, and make progress in reform of the transport sector which would contribute to employment and economic growth,
