

**Economic Commission for Europe**

**Inland Transport Committee**

10 October 2023

**Working Party on the Transport of Perishable Foodstuffs**

English

**Eightieth session**

Geneva, 24-27 October 2023

Item 4 (c) of the provisional agenda

**Status and implementation of the Agreement on the International Carriage of Perishable Foodstuffs and on the Special Equipment to be Used for such Carriage (ATP):**

**test stations officially designated by the competent authorities of countries Parties to ATP**

---

**List update of the test stations officially designated by the competent authorities of countries Parties to ATP**

**Transmitted by the Government of Spain**

1. After reviewing the list of testing stations officially designated by the competent authorities of the Parties to the ATP in agenda item 4 (c), we have found that two new stations authorized in Spain are missing.

2. After notifying the secretary, the list has been updated on the web. The updated list of officially designated test stations can be found at the following link: <https://unece.org/atp-competent-authorities-and-testing-stations>.

3. For the information of all working group members, the two new stations added are as follows:

- TUNEL DE FRIO REGION DE MURCIA, S.L.  
689093664  
tfrm@tfrm.es
