B. JUSTIFICATION

The transitional provisions of the document (TRANS/WP.29/GRRF/2004/19) are not in line with the transitional provisions with those of the 10 series of amendments to Regulation No. 13 adopted by WP. 29 at ist June 2004 session. The new insertion prevents that the corresponding provisions of Supplement [1 to the 10] series of amendments become mandatory before the transitional positons of the 10 series.
