## I. Proposal

*Annex 1A, point 3.3.*, amend to read:

"3.3. ~~Driver's~~ Safety-belt reminders (indicate yes/no <sup>2</sup>);"

## II. Justification

1. With the start of the 07 Series of amendments the requirements for safety-belt reminders have been extended;
  2. From the past the Information sheet (Certificate) in its paragraph 3.3. only made reference to the seating place where the seat-belt reminder was really required, so the seating place of the driver;
  3. Taking account of the new legal text, it is proposed to bring again in line the Information sheet with the legal text.
