

8th International Forum Energy for Sustainable
Development
Workshop on Energy Statistics

Astana, Kazakhstan
13 June 2017

Sustainable Energy for All (SE4All) in Eastern Europe, the Caucasus and Central Asia

ENERGY

- The overall goal of the project is to strengthen the national capacity of economies in transition to develop National Action Plans for Sustainable Energy for All (SE4All) in the context of the post-2015 Sustainable Development agenda.
- The proposed project will assist UNECE countries with economies in transition, in the preparation of national action plans to achieve sustainable development goals related to energy. The project will address gaps in existing information, quality of existing energy statistics, and to develop new statistical foundations in support of these goals and objectives
- The beneficiary countries of this project are: Azerbaijan, Belarus, Georgia, Kazakhstan, and Kyrgyzstan.

Sustainable Energy for All (SE4All) in Eastern Europe, the Caucasus and Central Asia

ENERGY

The objective of the project will be pursued by achieving the following results:

- Improved national capacity for data collection and monitoring of progress on energy related sustainable development goals;
- Strengthened national capacities to develop national action plans for sustainable energy based on the best international practices.

Sustainable Energy for All (SE4All) in Eastern Europe, the Caucasus and Central Asia

ENERGY

Both the objective and the expected accomplishment will be achieved by the implementation of the following activities:

- (A1.1) A baseline review of sustainable energy data in each beneficiary country in order to assess the existing gaps in data collection
- (A1.2) Two sub-regional trainings to the national officials and experts responsible for sustainable energy data collection.
- (A2.1) Identification of best practices on sustainable energy for each beneficiary country.
- (A2.2) Multi-stakeholder consultations with the participation of national officials/experts, UNECE, UNESCAP, UNDESA, SE4ALL secretariat and others
- (A2.3) Development of a National Action Plan for each beneficiary country.
- (A2.4) A final validation workshop for the National Action Plans for sustainable energy for each beneficiary country.

Thank you!

Sergey Tulinov, ESCAP
Viktor Badaker, UNECE
