Asunto: EIC/IC/INFO/22 Spain: Construction of a temporary spent fuel storage facility at the Almaraz NPP

Dear Mr. Dominguez Collado,

Please find enclosed a letter from the Chair of the Implementation Committee under the Convention on Environmental Impact Assessment in a Transboundary Context and its Protocol on Strategic Environmental Assessment concerning the construction of a temporary spent fuel storage facility at the Almaraz nuclear power plant.

Please note that the Committee decided that at this stage there was no need for it to pursue further its information gathering regarding the issue. The Committee also requested your agreement that the correspondence between the Committee and your Government be placed on the Convention's website, as an illustration of the Committee's approach to information gathering; if there is no reply to this request by 11 November 2019, the Committee would understand that you agree with publication.

Let me draw your attention that the letters from the Chair of the Implementation Committee are sent electronically only. In this light, you are kindly invited to acknowledge the receipt of this email and the letters attached to it.

Sincerely yours,
