## PART TWO – PRACTICAL APPLICATION DURING THE PERIOD 2010 -2012

*In this part, please report on your country's practical experiences in applying the Protocol (and not your country's procedures, which were described in part one). The focus of this section should be on identifying good practices as well as difficulties encountered in applying the Protocol in practice. The goal is to enable Parties to share solutions. Please therefore provide appropriate examples highlighting application of the Protocol in your country and innovative approaches to improve its application.*

31. Does your country object to the information on SEA procedures provided in this section being compiled and made available on the website of the Protocol? Please specify (indicate "yes" if you object).

- a) Yes ☐  
b) No ☐

### DOMESTIC AND TRANSBOUNDARY IMPLEMENTATION IN THE PERIOD 2010–2012

32. Which competent authority/authorities are responsible for carrying out the SEA procedure in your country? Please specify.

- a) If they are different for different types of plans and programmes ☐  
b) If they are different at different levels (national, regional, local) ☐  
c) If they are different for domestic and transboundary procedures ☐  
d) Please name the responsible authority/authorities:

33. Does your SEA documentation always include a specific (sub)chapter on information on potential transboundary effects? Please specify.

- a) Yes ☐  
b) No, only when potential transboundary effects are identified ☐

### CASES DURING THE PERIOD 2010-2012

34. If possible, provide the (approximate) number of domestic and transboundary SEA procedures initiated during the given period and list them by referring to the sectors in article 4, paragraph 2.

### EXPERIENCE WITH THE STRATEGIC IMPACT ASSESSMENT PROCEDURE IN 2010-2012

35. If your country has had practical experience in implementing the Protocol, has this supported the integration of environmental, including health, concerns into the development of plans and programmes? Have the conclusions included in the

environmental report influenced the drafting and resulted in altering of a plan or programme? Please, provide examples, if you have this information.

36. If your country has experienced substantial difficulties interpreting particular terms (or particular articles) in the Protocol, please indicate them. Does your country work together with other Parties to find solutions? If not, how does your country overcome the(se) problem(s)? Please, provide examples, if available.

37. Please share with other Parties your country's experience of applying the Protocol in practice, if such information is available. In response to each of the questions below, either provide one or two practical examples or describe your country's general experience. You might also include examples of lessons learned in order to help others. Please detail:

a) Your country's experience with domestic procedures:

- i. Has your country carried out monitoring according to article 12 and, if so, for what kinds of plans or programmes?
- ii. Please provide examples of good practice cases, whether complete cases or good practice elements (e.g., consultation or public participation) within cases. Would your country like to present a case to be published on the website of the Convention and its Protocol as a "case study fact sheet"?

b) Your country's experience with transboundary procedures:

- i. Translation is not addressed in the Protocol. How has your country addressed the question of translation? What difficulties has your country experienced in relation to translation and interpretation, and what solutions has your country applied?
- ii. What does your country usually translate as a Party of origin?
- iii. Has your country carried out transboundary public participation according to article 10, paragraph 4? If so, how? Was your country the Party of origin or the affected Party? What has been your country's experience of the effectiveness of public participation? Has your country experienced difficulties with the participation of its public or the public of another Party? (E.g., have there been complaints from the public about the procedure?)

- iv. Does your country have examples of organizing transboundary SEA procedures for joint cross-border plans and programmes? If yes, describe such examples, if possible.
- v. Please provide examples of good practice cases, whether complete cases or good practice elements (e.g., consultation or public participation) within cases. Would your country like to present a case within a “case study fact sheet” to be published on the website of the Convention and its Protocol?

#### COOPERATION BETWEEN PARTIES IN 2010–2012

38. Does your country have any successful examples of how it has overcome difficulties arising from different legal systems in neighbouring countries?

#### EXPERIENCE REGARDING GUIDANCE IN 2010–2012

39. Are you aware of any use in your country of the Resource Manual to Support Application of the Protocol on Strategic Environmental Assessment available online<sup>1</sup>? If yes, please describe any experience with using this guidance document and how it might be improved or supplemented.
40. Do you provide any assistance and guidance to the public? If yes, please specify.
41. Do you support associations, organizations or other groups that promote the Protocol? If yes, please specify which and how.
42. Has your country had difficulties implementing the procedure defined in the Protocol?

#### AWARENESS OF THE PROTOCOL

43. Does your country see a need to improve the application of the Protocol in your country and, if so, how does it intend to do so?

#### SUGGESTED IMPROVEMENTS TO THE REPORT

44. Please provide suggestions for how this report may be improved.
