

# **Questionnaire for the report of the Republic of Moldova on the implementation of the Protocol on Strategic Environmental Assessment in the period 2016–2018**

## **Information on the focal point for the Protocol**

1. Name and contact information:

Panchuk Angela

Tel: +373 22 204 529. e-mail: [angela.panciuc@madrm.gov.md](mailto:angela.panciuc@madrm.gov.md)

## **Information on the point of contact for the Protocol**

2. Name and contact information (if different from above):

Nagorny Mariya

Tel: +373 22 204 520. e-mail: [maria.nagornii@madrm.gov.md](mailto:maria.nagornii@madrm.gov.md)

## **Information on the person responsible for preparing the report**

3. Country: Republic of Moldova

4. Surname: Panchuk

5. Forename: Angela

6. Institution: Ministry of Agriculture, Regional Development and Environment

7. Postal address: 9 Constantin str., MD-2005 Chisinau

8. Email address: [madrm@madrm.gov.md](mailto:madrm@madrm.gov.md)

9. Telephone number: +373 22 204 581

10. Fax number: +373 22 204 784

11. Date on which report was completed: 29 March 2019

# Part one

## Current legal and administrative framework for the implementation of the Protocol

In this part, please describe the legal, administrative and other measures taken in your country to implement the provisions of the Protocol. This part should describe the framework for your country's implementation, and not experience in the application of the Protocol.

### Article 3 General provisions

I.1. Please provide the main legislative, regulatory and other measures you have adopted in your country to implement the Protocol (art. 3, para. 1) (more than one option may apply):

(a) Law on SEA (please indicate number/year/name): **Law on SEA of 02.03.2017 N 11**

(b) SEA provisions are transposed into another law(s) (please specify):

**Law "About environmental protection" № 1515/1993, para d, art. 3; para a, part 13, art. 8; art. 10, para 1; para b, art. 15; art. 16, para n; art. 25.**

**Law "About fundamentals of town planning and arrangement of the territory" №835/1996, art. 241; art. 25, part 11.**

**Law "About local public authority" № 436/2006; para s, part 1, art. 29; para k2, part 1, art. 53.**

**Law "About drinking water" № 272/2011; art. 18, part 1; part 3, art. 19**

**Law "About waste" №209/2016; para c, part 2, art. 9; art. 37, part 4**

(c) Regulation (please indicate number/year/name): **Guidelines on SEA procedure approved by Order of the Ministry of Agriculture, Regional Development and Environment of 01.01.2018 N 219, published in the Official Gazette of 12.10.2018 N 384-395.**

(d) Administrative rule (please indicate number/year/name):

(e) Other (please specify):

Your comments:

### Article 4 Field of application concerning plans and programmes

I.2. List the types of plans and programmes that require SEA in your legislation:

**A strategic environmental assessment carried out for plans and programmes which are prepared for agriculture, forestry, fisheries, energy, industry including mining, transport, waste management, water management, telecommunications, tourism, town and country planning or land use( documents on urban planning and land use, including plans and programmes on land use at national, regional and district levels and urban planning Mater Plan), and which set the framework for future development**

**consent for projects listed in annex I and any other project listed in annex II to the Law “About environmental impact assessment’ № 86/2014**

I.3. Explain how you define whether a plan or programme “set the framework for future development consent” (art. 4, para. 2):

**Plans and programs referred to in art. 4.2, based on which projects and activities listed in annex I and II to the Law “About environmental impact assessment’ № 86/2014 are implemented, and for which permission is required, are subjects of strategic environmental assessment only if the competent authority during the screening procedure based on criteria listed in annex I to the Law "About environmental impact assessment" № 11/2017 had identified that they are likely to have significant environmental and health impact (Law № 11/2017, art. 3 para (3)).**

I.4. Explain how the terms “plans and programmes ... which determine the use of small areas at local level” (art. 4, para. 4) are interpreted in your legislation:

**The plans and programmes referred to in art. 4.2 which determine the use of small areas at the local level and for minor modifications to plans and programmes referred to in art. 4.2, are subjects to the strategic environmental assessment only if the competent authority during the screening procedure based on criteria listed in annex I to the Law "About environmental impact assessment" № 11/2017 had identified that they are likely to have significant environmental and health impact (Law № 11/2017, art. 3 para (2)).**

I.5. Explain how you identify in your legislation a “minor modification” to a plan or programme (art. 4, para. 4):

**The plans and programmes referred to in art. 4.2 which determine the use of small areas at the local level and for minor modifications to plans and programmes referred to in art. 4.2, are subjects to the strategic environmental assessment only if the competent authority during the screening procedure based on criteria listed in annex I to the Law "About environmental impact assessment" № 11/2017 had identified that they are likely to have significant environmental and health impact (Law № 11/2017, art. 3 para (2)).**

## **Article 5 Screening**

I.6. How do you determine which other plans and programmes should be subject to a SEA as set out in article 4, paragraphs 3 and 4, in accordance with article 5, paragraph 1? Please specify:

- (a) On a case-by-case basis
- (b) **By specifying types of plans and programmes**
- (c) By using a combination of (a) and (b)
- (d) Other (please specify):

Your comments:

I.7. Do you provide opportunities for the public concerned to participate in screening and/or scoping of plans and programmes in your legislation (art. 5, para. 3, and art. 6, para. 3)?

No

Yes  (please specify (more than one option may apply)):

- (a) **By sending written comments to the competent authority**
- (b) By sending written comments to the local municipality
- (c) By providing answers to a questionnaire
- (d) **By taking part in a public hearing**
- (e) **By sending written comments to the consultants/SEA experts or persons preparing the plans and programmes**
- (f) Other (please specify):  
Your comments:

## Article 6 Scoping

I.8. How do you determine what is the relevant information to be included in the environmental report, in accordance with article 7, paragraph 2 (art. 6, para. 1)?

**According to para 1 art. 7 of the Law “About environmental impact assessment” № 11/2017 the proponent determines the scope and level of detail of information to be included to the report on strategic environmental assessment, in accordance with the requirements listed in annex II to this Law.**

## Article 7 Environmental report

I.9. How do you determine “reasonable alternatives” in the context of the environmental report (art. 7, para. 2)? Please specify:

- (a) On a case-by-case basis
- (b) As defined in the national legislation (please specify):
- (c) **By using a combination of (a) and (b)**
- (d) Other (please specify):

Your comments:

I.10. How do you ensure sufficient quality of the reports? Please specify:

(a) **The competent authority checks the information provided and ensures it includes all information required under annex IV as a minimum before making it available for comments**

- (b) By using quality checklists
- (c) There are no specific procedures or mechanisms
- (d) Other (please specify):

Your comments:

## Article 8

### Public participation

I.11. How do you ensure the “timely public availability” of draft plans and programmes and the environmental report (art. 8, para. 2)? Please specify (more than one option may apply):

- (a) **Through public notices**
- (b) **Through electronic media**
- (c) Through other means (please specify):

Your comments:

I.12. How do you identify the public concerned (art. 8, para. 3)? Please specify (more than one option may apply):

- (a) **Based on the geographical location of the plans and programmes**
- (b) Based on the environmental effects (significance, extent, accumulation, etc.) of the plans and programmes
- (c) **By making the information available to all members of the public and letting them identify themselves as the public concerned**
- (d) By other means (please specify):

Your comments:

I.13. How can the public concerned express its opinion on the draft plans and programmes and the environmental report (art. 8, para. 4)? Please specify (more than one option may apply):

- (a) **By sending comments to the relevant authority/focal point**
- (b) By providing answers to a questionnaire
- (c) **Orally**
- (d) **By taking part in a public hearing**
- (e) Other (please specify):

Your comments:

I.14. Do you have a definition in your legislation of the term “within a reasonable time frame” (art. 8, para. 4)? Please specify:

- (a) **No, the time frame is determined by the number of days fixed for each commenting period**
- (b) No, it is defined case by case
- (c) Yes (please provide the definition):
- (d) Other (please specify):

Your comments:

## Article 9

### Consultation with environmental and health authorities

I.15. How are the environmental and health authorities identified (art. 9, para. 1):

- (a) On a case-by-case basis:
- (b) As defined in the national legislation:**
- (c) Other (please specify)

Your comments:

I.16. How are the arrangements for informing and consulting the environmental and health authorities determined (art. 9, para. 4):

- (a) On a case-by-case basis:
- (b) As defined in the national legislation:**
- (c) Other (please specify)

Your comments:

I.17. Does your national legislation call for consultations with environmental and health authorities?

- (a) Yes**
- (b) No

I.18. How can the environmental and health authorities express their opinion (art. 5, para. 2, art. 6, para. 2, and art. 9, para. 3):

- (a) By sending comments**
- (b) By providing answers to a questionnaire
- (c) In a meeting**
- (d) By other means (please specify)

Your comments:

## Article 10

### Transboundary consultations

I.19. As a Party of origin, when do you notify the affected Party (art. 10, para. 1)? Please specify:

- (a) During scoping**
- (b) When the draft plan or programme and the environmental report have been prepared
- (c) At other times (please specify):

Your comments:

I.20. As a Party of origin, what information do you include in the notification (art. 10, para. 2)? Please specify:

- (a) The information required by article 10, paragraph 2**

(b) The information required by article 10, paragraph 2, plus additional information (please specify):

Your comments:

I.21. As a Party of origin, does your legislation indicate a reasonable time frame for the transmission of comments from the affected Party (art. 10, para. 2)? Please specify:

(a) No

(b) **Yes (please indicate how long): 45 calendar days**

Your comments:

I.22. If the affected Party has indicated that it wishes to enter into consultations, how do the Parties agree on detailed arrangements to ensure that the public concerned and the authorities in the affected Party are informed and given an opportunity to forward their opinion on the draft plan or programme and the environmental report within a reasonable time frame (art. 10, paras. 3 and 4)?

(a) Following those of the Party of origin

(b) **Following those of the affected Party**

(c) Other (please specify):

Your comments:

## **Article 11 Decision**

I.23. When a plan or programme is adopted, explain how your country ensures, in accordance with article 11, paragraph 1, that due account is taken of:

(a) **The conclusions of the environmental report**

(b) Mitigation measures

(c) Comments received in accordance with articles 8 to 10

Your comments:

I.24. How and when do you inform your own public and authorities (art. 11, para. 2)? **Law № 11/2017, art. 14.**

I.25. How do you inform the public and authorities of the affected Party (art. 11, para.

(a) **By informing the point of contact**

(b) **By informing the contact person of the ministry responsible for SEA, who then follows the national procedure and informs his/her own authorities and public**

(c) By informing all the authorities involved in the assessment and letting them inform their own public

(d) Other (please specify):

Your comments:

I.26. How do you ensure that, when a plan or programme is adopted, the public, the authorities and the Parties consulted are informed and that the information mentioned in article 11, paragraph 2, is made available to them? **Law № 11/2017, art. 14.**

(a) Pursuant to national legislation (please refer to specific provisions and provide citations in order to clarify the procedure followed):

Law № 11/2017, art. 14.

According to para 129 of Guidelines on SEA, approved by Order of the Ministry of Agriculture, Regional Development and Environment of 01.01.2018 № 219 published in the Official Gazette of 12.10.2018 N 384-395, the proponent publishes on its web-page an environmental conclusion, approved plan and/or program and information on public participation in environmental assessment.

(b) Other (please specify):

Your comments:

## Article 12 Monitoring

I.27. Describe the legal requirements for monitoring the significant environmental, including health, effects of the implementation of the plans and programmes adopted under article 11 (art. 12, paras. 1 and 2):

**The proponent within its competence and in accordance with established program monitors significant environmental, including health, effects of proposed plans or programs in order, inter alia, to identify, at an early stage, unforeseen adverse effects and to be able to undertake appropriate remedial action.**

**The proponent makes available the results of monitoring to the authorities and publishes them on its web-site.**

**In order to comply with the provisions of Part I and in order to avoid duplication, existing monitoring mechanisms and monitoring data obtained from other sources can be used.**

## Part two Practical application during the period 2016–2018

In this part, please report on your country's practical experiences in applying the Protocol (and not your country's procedures, which were described in part one). The focus of this section should be on identifying good practices as well as difficulties encountered in applying the Protocol in practice. The goal is to enable Parties to share solutions. Please therefore provide appropriate examples highlighting application of the Protocol in your country and innovative approaches to improve its application.

**In the Republic of Moldova the Law on strategic environmental assessment came into force 07.03.2018. In the course of the year, strategic environmental assessment procedure has been carried out only when town and country planning (documentation on town and country planning). Until today, there have not been submitted for consideration any other plans and programs.**

II.1. Does your country object to the information on SEA procedures provided in this section being compiled and made available on the website of the Protocol? Please specify (indicate "yes" if you object):

(a) Yes

(b) No

Your comments:

## 1. Consideration of health effects

II.2. Does your SEA documentation always include specific information on health effects?

Please specify:

(a) Yes

(b) No, only when potential health effects are identified

## 2. Domestic and transboundary implementation in the period 2016–2018

II.3. Does your SEA documentation always include specific information on potential transboundary environmental, including health, effects? Please specify:

(a) Yes

(b) No, only when potential transboundary effects are identified

## 3. Cases during the period 2016–2018

II.4. Please provide the (approximate) number of transboundary SEA procedures initiated during the period 2013–2015 and list them, grouped by the sectors listed in article 4, paragraph 2:

## 4. Experience with the strategic impact assessment procedure in 2016–2018

II.5. Has your country experienced substantial difficulties in interpreting particular terms (or particular articles) in the Protocol?

(a) No

(b) Yes  (please indicate which ones):

II.6. How does your country overcome the(se) problem(s), if any, for example by working with other Parties to find solutions? Please provide examples:

II.7. With regard your country's experience with domestic procedures, in response to each of the questions below, either provide one or two practical examples or describe your country's general experience. You might also include examples of lessons learned in order to help others. Please detail:

(a) Has your country carried out monitoring according to article 12 and, if so, for what kinds of plans or programmes (cite good practice cases or good practice elements (e.g., consultation or public participation), if available)?

(b) Would your country like to present a case to be published on the website of the Convention and its Protocol as a "case study fact sheet"?

(i) No

(ii) Yes  (please indicate which ones):

II.8. With regard your country's experience with transboundary procedures, in response to each of the questions below, either provide one or two practical examples or describe your country's general experience. You might also include examples of lessons learned in order to help others. Please detail:

(a) What difficulties has your country experienced and what solutions has it found?

(i) Translation and interpretation

(ii) Other issues

(b) What does your country usually translate as a Party of origin?

(c) As an affected Party, has your country ensured the participation of the public concerned and the authorities pursuant to article 10, paragraph 4?

(i) No

(ii) Yes  (please indicate how):

(d) What has been your country's experience of the effectiveness of public participation?

(e) Does your country have examples of organizing transboundary SEA procedures for joint cross-border plans and programmes?

(i) No

(ii) Yes  (please describe):

(f) As an affected Party, how do you ensure that the public concerned and the authorities are informed and given an opportunity to forward their opinion on the draft plan or programme and the environmental report within a reasonable time frame (art. 10, para. 4)?

## 5. Experience regarding guidance in 2016–2018

II.9. Are you aware of any use in your country of the online *Resource Manual to Support Application of the Protocol on Strategic Environmental Assessment (ECE/MP.EIA/17)*?<sup>1</sup>:

(a) No:

(b) Part of it (Please specify):

(c) Yes  (please describe your experience):

Your comments on how the Guidance might be improved or supplemented:

## 6. Awareness of the protocol

II.10. Does your country see a need to improve the application of the Protocol in your country?

(a) No:

(b) Yes  **Please describe how your country intends to improve application of the Protocol:**

---

<sup>1</sup> Available from [http://www.unece.org/env/eia/pubs/sea\\_manual.html](http://www.unece.org/env/eia/pubs/sea_manual.html).

**Environmental Agency was established by the Decision of the Government of 13.06.2018 №549. One of the main activities of the Agency is implementation of environmental policy. Thus, according to delineating the functions between the Ministry and the Agency, we will be able to develop a mechanism of strategic environmental assessment at national and transboundary levels.**

## **7. Suggested improvements to the report**

II.11. Please provide suggestions for how this report may be improved:

---
