Dear Dr. Sjöström,

Re: Communication to the Aarhus Convention Compliance Committee concerning compliance by the United Kingdom with provisions of the Convention in connection with the scope of judicial review, costs, timing and other issues related to access to justice (Ref. ACCC/C/2008/33)

On 2 December 2008, the secretariat of the Convention on Access to Information, Public Participation in Decision-making and Access to Justice in Environmental Matters (Aarhus Convention) received the above communication submitted by non-governmental organizations ClientEarth, London, United Kingdom, and Marine Conservation Society, Ross-on-Wye, United Kingdom, and by Mr. Robert Latimer, Whitburn, United Kingdom, and addressed to the Compliance Committee of the Convention regarding compliance by the United Kingdom with certain provisions of the Convention. The communication was submitted in accordance with the provisions of chapter VI of the annex to decision I/7 of the Meeting of the Parties.

Please find enclosed a copy of the communication, which is being forwarded to you at the request of the Committee in accordance with the provisions of paragraph 22 of the annex to decision I/7. The communication has been registered under the symbol ACCC/C/2008/33, which you are invited to cite in future correspondence on the matter.

The Compliance Committee, having considered the preliminary admissibility of the communication at its twenty-second meeting (17-19 December 2008), has on a preliminary basis determined it to be admissible in accordance with paragraph 20 of the annex to decision I/7. A copy of the preliminary determination on admissibility is attached. Please note, however, that the Committee has not reached any conclusions with respect to the compliance issues referred to in the communication.

Having regard to paragraph 23 of the annex to decision I/7, you are kindly invited to submit to the Committee, as soon as possible but at the latest within five months of the date of this letter, any written explanations or statements clarifying the matter referred to in the communication and describing any response that may have been made in the mean time.

In order to facilitate further consideration of the communication, the Committee, at its twenty-second meeting, preliminarily discussed whether and what issues might require further clarification from the Party concerned and/or the communicant. It agreed to continue this discussion through electronic means with a view to agreeing on any additional questions to the parties concerned at the latest by 19 January 2008. Should the Committee identify any such questions, they will be forwarded to the Party concerned and the communicant in the fourth week of January 2009.

We look forward to hearing from you.

Yours sincerely,

mp Jeremy Wates
