Dear Dr. Hombauer,

According to the Article 4 (1) of the Espoo Convention, to the Article 7 (3.b) of the EIA Directive and to the Article 18 (2) of the IPPC Directive, furthermore referring to the letter of Dr. Baumgartner (dated of 16th of January, 2008, ref. number: BMLFUW-UW.1.4.2/002-V/1/2008) from the Federal Ministry of Agriculture, Forestry, Environment and Water Management,

I forward the official Hungarian opinion and the comments of the concerned Hungarian municipalities and public regarding the Environmental Impact Assessment documentation of the planned thermal treatment installation of non hazardous waste in Heiligenkreuz Business Park.

An in-kind German translation of the official Hungarian opinion will be transmitted you as soon as it is available.

Please ensure due account of the Hungarian comments in the licensing decision on the planned thermal treatment installation as it is required by the relevant provisions of the Espoo Convention, the EIA and the IPPC Directives.

Yours sincerely,

Balázs Horváth
Head of Department
