Dear Mr Wates

Complaint about Merthyr Tydfil County Borough Council

I write in reply to your letter of 27th July 2009 to Richard Buxton Solicitors regarding my complaint to the United Nations about the actions and stance taken by Merthyr Council towards me for challenging decisions relating to the opencast.

I confirm that I have instructed Richard Buxton Solicitors since March 2005 about the opencast in Merthyr Tydfil. I also confirm that they are authorised to represent me in relation to this complaint.

Yours Sincerely
