Subject: ACCC/C/2011/57 - Compliance by Denmark with provisions of the  
Aarhus Convention - Fees for appeals to the Nature- and Environment Appeal Board

Dear Fiona Marshall

Attached you will answer to the questions as requested for in letter of 10. October 2011 as well as an annex.

I have attached a pdf-file as well as word file. In the word file it is easier to locate the relevant abstracts of the legislation, which have been translated into English.

Unfortunately we are not finished with question 5. The answer to question 5, as well as some additional material, will be send as soon as possible.

Best regards

Morten
