Dear Aphrodite Smagadi

Thank you for your letter dated July 15 2013 regarding following-up communication ACCC/C/2011/57.

As mentioned in our letter dated November 30 2011, the Danish Government decided on November 29 2011 to present a bill before the Danish Parliament (Folketinget) to reduce the fee for those other than private persons to make a compliant to the Nature and EAB from DKK 3,000 to DKK 500.

Folketinget accepted the bill, and on August 1 2012, act nr. 580 of June 10 2012, entered into force, reducing the fee for those other than private persons to make a compliant to the Nature and EAB from DKK 3,000 to DKK 500.

Yours sincerely
