Subject: ACCC/C/2013/81 (Sweden) - Response to the questions from the Compliance Committee

Dear Ms. Marshall,

Attached you will find Sweden's response to the questions from the Compliance Committee.

The Committee has also asked Sweden to provide an English translation of three documents. The documents are being translated by an authorized translator but the translation will unfortunately not be ready until earliest next week. The translated documents will be provided to the Committee as soon as possible, probably on 27 May 2015.

Please do not hesitate to contact me or my colleagues at the Ministry of the Environment and Energy if you or the Committee have any questions concerning the Swedish legal system.

Kind regards,

Lina Oskarsson
