Dear Ms. Morgan,

Re: Communication to the Aarhus Convention Compliance Committee concerning compliance by the United Kingdom with the access to justice provisions of the Convention in relation to the 2012 LASPOA (ACCC/C/2013/85)

On 18 September 2012, the secretariat of the Convention on Access to Information, Public Participation in Decision-making and Access to Justice in Environmental Matters (Aarhus Convention) received the above communication addressed to the Compliance Committee of the Convention. The communication concerns compliance by the United Kingdom with the access to justice provisions of the Convention in connection with a new act, in force since 2013, which will result in prohibitive expensive costs in private nuisance proceedings, when those fall under the scope of the Convention, because it will no longer be possible for successful claimants to recover the premium for after-the-event insurance. The communication was submitted in accordance with the provisions of chapter VI of the annex to decision I/7 of the Meeting of the Parties.

Please find enclosed a copy of the communication, which is being forwarded to you at the request of the Committee in accordance with the provisions of paragraph 22 of the annex to decision I/7.

The communication has been registered under the symbol ACCC/C/2013/85, which you are invited to cite in future correspondence on the matter. The main documentation relating to the communication will be shortly available on the Committee's web site at: <http://www.unece.org/env/pp/pubcom.htm>.

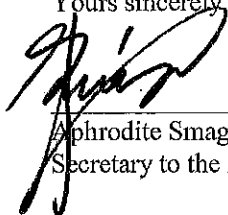

The Compliance Committee, having considered the admissibility of the communication at its forty-first meeting (25-28 June 2013), has on a preliminary basis determined it to be admissible in accordance with paragraph 20 of the annex to decision I/7. A copy of the preliminary determination on admissibility is attached. Please note, however, that the Committee has not reached any conclusions with respect to the compliance issues referred to in the communication. The Committee also considered that it would possibly consider this communication jointly with communication ACCC/C/2013/86 (United Kingdom).

Having regard to paragraph 23 of the annex to decision I/7, you are kindly invited to submit to the Committee, as soon as possible but at the latest within five months of the date of this letter (i.e. by **22 December 2013**), any

written explanations or statements clarifying the matter referred to in the communication and describing any response that may have been made in the meantime.

Please do not hesitate to contact the secretariat if you have any questions.

Yours sincerely

Aphrodite Smagadi
Secretary to the Aarhus Convention Compliance Committee
