### **Almaty 2022 Olympic Bid**

Dear Sir / Madam,

We acknowledge receipt of your letter dated 12 December 2014, addressed to the IOC President, and thank you for the information provided.

We will provide your letter to the Almaty 2022 Bid Committee for its comments and will also share the information with the IOC 2022 Evaluation Commission, which is currently analysing Almaty's Candidature File.

With regard to Kok-Zhailau, the revised concept set out in the Candidature File no longer includes competition venues at this location. We take note of your comments regarding Shymbulak, Tabagan and Ak Bulak.

We have also noted your request to meet with representatives of the Commission during its visit to Almaty next month. As you will understand, the programme for the Commission's visit is still under development; your request will be discussed by the Commission when it meets on 13 February 2015.

Yours sincerely,

Jacqueline Barrett  
Head of Olympic Bid City Coordination
