Withdrawal of the remonstrations by Greenpeace Slovakia in the proceeding for disclosure of PBS MO 3&4 – call for granting a consent by the other party to the proceeding to adjudicate

With a letter of ÚJD SR No. 4731/2015 dated 22 July 2015 a new appellate procedure was opened in a matter of disclosing PBS MO 3&4 based on a judgement of the Supreme Court of the Slovak Republic No. 3Sž/22/2014 dated 9 June 2015.

Greenpeace Slovakia, with its letter dated 24 August 2015, delivered to ÚJD SR dated 27 August 2015 and registered under No. 5503/2015 withdrew its remonstrations. A photocopy of this letter is attached hereto for your information.

With this act of Greenpeace Slovakia in the above mentioned administrative procedure the reasons are given to stop the proceeding under Section 30 par. 1 sub-par. b) of the Act No. 71/1967 Coll. on the administrative procedure (Administrative Code) as amended. Given the fact that the Act requires adjudicating in this case also with the consent of the other parties to the procedure, and SE, a. s. is the other party to the procedure, ÚJD SR hereby invites you to give your opinion on this motion.

Your opinion is expected within 15 days of delivery of this call.

Yours truly,

JUDr. Martin Pospíšil
Division of Legislation and Legal affairs
