Subject: ACCC/C/2013/89 (Slovakia) - communicant's comments of 27 February 2017
Sent by: Fiona Marshall

Dear Madam, dear Sirs,

I refer to the comments sent by the communicant on 27 February 2017 regarding the Party concerned's comments of 25 July 2016 on the Committee's draft findings.

At its virtual meeting on 27 March 2017, the Committee expressed concern at the very late nature of these comments, which were sent more than seven months after the Party concerned's comments of 25 July 2016 to which they relate.

The Committee will not accept an update or further comments after the deadline for comments on draft findings has expired, unless those comments are of fundamental importance to its findings or recommendations. The Committee does not consider the communicant's comments to be of that nature. Accordingly, they will not be taken into account in the findings or referred to therein.

Kind regards,
Fiona
