Dear Ms. Tokolyova,

**Re: Communication to the Aarhus Convention Compliance Committee concerning compliance  
by Slovakia with the access to justice provisions of the Convention in connection with  
the extension of Mochovce Nuclear Power Plant (ACCC/C/2013/89)**

After taking into account the comments received on 25 July 2016 from the Party concerned and the communicant on the draft findings, the Committee has prepared revised draft findings on the above communication. The Committee's revised draft findings were finalized through the Committee's electronic decision-making procedure earlier today.

The revised draft findings are now forwarded at the request of the Committee for your consideration and possible comments pursuant to paragraph 34 of the annex to decision I/7. I would be grateful if you would provide any comments by **27 April 2017**. In finalizing the findings, the Committee will take into account any comments you submit on the revised draft findings by the set deadline.

The text has been drafted on the assumption that your Government agrees with the Committee making recommendations in accordance with paragraph 36 (b) of the annex to decision I/7. If this is not the case, please indicate this in your reply.

Should you have any questions with regard to the procedure, please do not hesitate to contact the secretariat.

Yours sincerely,
