Dear Mr Blackwood

Environmental Information Regulations 2004 Request Chambers concrete production plant

I refer to your EIR request:

“Under the Environmental Information Regulations 2004 please can I be provided with a copy of any site licences granted by Derry City Council under the Local Government Pollution Control Act 1978 which permitted landfilling at Chambers concrete production plant, 91 Glenshane Road, Drumahoe, Derry”

and can advise that legacy Derry City Council has no record of a site licence for Chambers Concrete Production Plant at 91 Glenshane Road.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes. Firstly our internal review procedure is available by contacting:
