Dear Vira

Please see attached a letter from the Department regarding my request for information in regard to case ACCC/C.2015/90 and my appeal against the failure to provide that information. You will note the continuing attempts at obfuscation around what the Department has presided over at this site.

I will endeavour to provide you with a full response to the UK Member States submission once I get straight answers from the Department of the Environment for Northern Ireland  
Thanks for your patience

Best  
Dean
