Tughans Solicitors

Dear Maria

River Faughan Anglers Association's Application for Judicial Review [2014] NIQB 34

I am pleased to confirm that my advice to the Association was that it should appeal the decision of Treacy J. My recollection is that the Association accepted that advice, but considered that it could not bear the costs of appeal and associated risk in costs should the appeal fail, so the matter was not pursued further.

I trust this is helpful.

Yours sincerely

William Orbinson QC
