Dear Mr Blackwood

ENVIRONMENTAL INFORMATION REGULATIONS 2004

I am writing to inform you that the Department has now completed its search for the information which you requested in your email dated 10 February 2016:-

“In order that I can respond in full to the UK Government’s submission to the Aarhus Convention’s Compliance Committee (ref: ACCC/C.2013/90), under the Environmental Information Regulations 2004, please can I be provided with a copy of the Environmental Impact Assessment determination which informed the Department’s granting of consent for the infilling of “inert process waste” at 91 Glenshane Road, Durmahoe, Derry – DOE NIEA File Ref WC9/03.”

I can confirm that the Department does not hold this information as in this case an Environmental Impact Assessment was not deemed necessary for the consideration of a Water Order Consent Relating to inert waste.

Under the terms of the legislation, if you are unhappy with this response you have the right to seek a review by the Department in the first instance, within two calendar months of the date of this letter. If you wish to do so, please write to:

Departmental Information Manager
Room 6.20
Department of the Environment
Clarence Court
10-18 Adelaide Street
Town Parks
BELFAST
BT2 8GB

If after such a review you are still unhappy with the response, you have the right to appeal to the Information Commissioner who will undertake an independent review.

If you have any queries about this letter, please contact me. Please remember to quote the reference number above in any future communications.

Yours sincerely
