Dear Mr Blackwood

Thank you for your letter of 6th November 2017.

The question as to whether the scheme could be constructed in accordance with the approved plans was before Mr Justice Treacy for determination as one of the grounds for Judicial Review. The Judge received evidence on that issue, heard submissions from both parties, and rejected it. I would therefore decline your proposal given that the Aarhus Convention Compliance Committee is not intended to act as a court of appeal in relation to the decision of Mr Justice Treacy.

Yours sincerely

F. McCandless
