In connection with the appeal of the Vice-Governor of Podlasie WI-V.743.3.8.2012.MB from 07/08/2013 to adopt, by September 16, 2013, changes in the study of conditions and directions of spatial development of the Municipality of Bakalarzewo by indicating the area of public investment in the form of a double-track overhead 400 kV power line Elk - State border in the area of Bakalarzewo Commune, we ask for information whether you allow, as Investor Plenipotentiaries, to adapt the project of changing the above study to the comments of residents accepted by the Head of the Bakalarzewo commune in order no. 30 / 2013 from 28 May 2013. This order was sent to you on June 13, 2013.

At the same time, due to the short deadline, appointed in the letter of the Vice-Governor of Podlasie on the decision by the Council of the Municipality of Bakalarzewo regarding the adoption of a study change, please treat our request as very urgent and reply by September 9, 2013.
