

The I list of remarks not taken into consideration
submitted pursuant to Article 11(11) of the Act of 27 March 2003 on spatial planning and development²
for the publicly available project
on amending the Study of conditions and directions of the spatial development
of the Bakalarzewo municipality

The project has been made publicly available beginning 10 August 2012 until 11 September 2012
with the right to submit remarks until 2 October 2012. The public discussion took place on 11 September 2012.

Remarks received from 10 August 2012 until 4 October 2012.
