

**The I list of remarks taken into consideration**  
submitted pursuant to Article 11(11) of the Act of 27 March 2003 on spatial planning and development<sup>2</sup>  
**for the publicly available project**  
**on amending the Study of conditions and directions of the spatial development**  
**of the Bakalarzewo municipality**

The project has been made publicly available beginning 10 August 2012 until 11 September 2012  
with the right to submit remarks until 2 October 2012. The public discussion took place on 11 September 2012.

Remarks received from 10 August 2012 until 4 October 2012.

No.	Name and surname	Residential address	Indicated property, precinct, plot no.	Summarized remarks to the amendment of the Study	The decision of the Mayor of the Bakalarzewo municipality Summarized justification
1.	[illegible] <sup>3</sup>	[illegible]	ZDRĘBY plot no. 137	'In the case of building a line, I intend to prove the electromagnetic field is harmful to the human body'	<b>Remarks are taken into consideration:</b> <ul style="list-style-type: none"><li>The health concerns are justified - there are no reliable study results of the 400 kV line's impact on the human health</li></ul>
2.
