

Białystok, 15th November 2013

Vice-Governor of Podlasie

15-213 Białystok, ul. Mickiewicza 3

Mr. Mirosław Przyborowski

ul. Kolonie 2, 16-432 Bakalarzewo

with a request to inform the inhabitants of the Bakalarzewo commune

WI-V.743.2.2.2013.AM

Dear Mr. Mirosław

in connection with the meeting on November 8, 2013, residents of the Municipality of Bakalarzewo with representatives of the Voivode of Podlasie regarding the accession of the Voivode of Podlasie to prepare a local spatial development plan in the area enabling the implementation of a section of the double-circuit route overhead power line 400 kV Ełk- State border in the Municipality of Bakalarzewo, and in reference to your questions and doubts, I explain below.

Answering the question, why did not a public consultation before issuing a replacement order, which was to be discussed on the variants of the route of the 2x400 kV line, informs that the Act on spatial planning and development (Dz.U.2012.647 z lat.zm.) further called the "act", only after obtaining relevant opinions and arrangements for the plan, the body organizes a public discussion on the solutions adopted in the draft plan.

In connection with your comments on the failure to observe the 21-day deadline for submitting applications to the plan, it informs that the re-announcement and announcement will be published and announced from November 18, 2013 to December 9, 2013.

One of the threads taken by the residents at the meeting was the route of the 400 kV line in the Podlaskie voivodship plan (other than the one included in the Substitute Governor's Podlaskie Regulation of 15/10/2013) and the lack of a registered investment in government programs referred to in Art. 48 par. 1 of the Act. Replacement order of the Podlasie Voivode from 15.10. 2013. concerning the preparation of a local spatial development plan in the area enabling the implementation of a two-circuit section of the overhead 400 kV Ełk power line - the state border was issued in the course proposed by the investor. I would also like to inform you that the Podlasie Regional Assembly adopted Resolution No. XXXI / 348/13 of 9 September 2013 regarding the accession to the amendment of the Spatial Development Plan of the Podlasie Voivodship in the scope of the 400 kV power line in the Bakalarzewo commune.

Sincerely

stamp: Deputy Governor of Podlasie

Wojciech Dzierzgowski
