Subject: Communication PRE/ACCC/C/2015/126 to the Aarhus Convention Compliance Committee

Dear Ms Marshall,

Thank you for your last email. In the nearest future I will send the abbreviated version of the complaint that was filed on 26th January 2015.

I would like to inform you that on 23rd December 2014 the Association "Wild Masuria Partnership" (which cooperates with us) filed a cassation complaint Ref. act. IV SA / Wa 308/14 to the Supreme Administrative Court against the judgment of the Regional Administrative Court in Warsaw on 25 September 2014., Ref. act. IV SA / Wa 308/14. The mentioned judgement dismissed the complaint no. DOOŚ-Oal.4202.3.2013.AŁ.7, dated 16 December 2014, to the environmental decision of the General Director of Environmental Protection, regarding the construction of the investment OHL 2x400kV Elk - Polish border.

To this day, no deadline of administrative hearing has been set, the investor PSE Company and its contractors boast about having the construction and handover of the OHL 2x400kV Elk - border of Poland completed. This situation is an obvious evidence of violation of the Aarhus Convention, national law, EU and international law by Poland.

Yours sincerely,

Mirosław Przyborowski
