Dear. Ms Marshall, dear Fiona,

It has taken the Ministry of Infrastructure and Water Management and the Ministry of Economic Affairs and Climate unfortunately more time to provide an answer to the questions.

However, we are in the final phase now and we officially need to translate the document.

We would like to propose to postpone the deadline with a few days. Is this possible?

We do apologize for the inconvenience!

Best regards,

Seray Özsöylemez

Ministry of Infrastructure and Water Management.
