Dear Mr. Bechtel,

I have tried to organize things at our end so that we are able to respond to your request before May 7th, but I am afraid that we are unable to meet your deadline. The main reason is that our lawyer is not available this week due to other obligations.

Previously, the Committee agreed to a request of the Netherlands government to give it a week extra beyond the deadline set by the Committee. May I ask the Committee to extend this time the same flexibility to us? A deadline of May 14th would solve our problem.

I hope the Committee is able to respond positively to my request.

Sincerely,

Albert Koers
