PUBLIC NOTICE

DUMPING AT SEA ACTS, 1996 AND 2004

APPLICATION SUBMITTED BY DUBLIN PORT COMPANY FOR THE DISPOSAL OF DREDGE MATERIAL AT SEA FROM MAINTENANCE DREDGING OF THE DUBLIN PORT FAIRWAY, BASINS AND BERTHS OCCURRING BETWEEN NOVEMBER 2009 AND OCTOBER 2015

NOTICE IS HEREBY GIVEN THAT Dublin Port Company has submitted an application to the Department of Communications, Marine and Natural Resources for a permit under Section 5 of the Dumping at Sea Act 1996 (as amended). The application is for the disposal of a maximum of 4,000,000 tonnes of dredge material (consisting of a mixture of sediments predominantly silt sand mix) from maintenance dredging from Dublin Port fairway, basins and berths. The proposed marine disposal site is located at Burford Bank approximately 5km south east of Howth. It is proposed that the disposal operation will take place between November 2009 and October 2015. A suction trailer hopper dredger, crane pontoon and split hopper barge will be used to dredge the material. The method of disposal will be dependant on the vessel and contractor used.

Any person wishing to make a submission, or submit observations, in respect of the granting of a permit for this proposed project should do so in writing to Dumping at Sea Permits, Coastal Zone Management Division, Department of Communications, Marine and Natural Resources, Building C, West Cork Technology Park, Clonakilty, Co. Cork within 21 days of the publication of this notice. Persons making a submission, or submitting observations, in respect of this project are advised that their comments will be forwarded to the applicant for comment and will be published on the Department's website: www.dcmnr.gov.ie.

Copies of the completed application form for this project, and all supporting documentation, can be viewed at Dublin Port Company, Dublin Port Offices, Alexandra Road, Dublin Port, Dublin 1, or purchased from Dublin Port Company (01 8876000 / info@dublinport.ie) at reasonable cost (€100 per copy).
