Subject: ACCC/C/2017/149 (Greece) - question of clarification for the Party concerned

Dear Ms. Stamouli, dear Ms. Raftopoulou,

I refer to Greece's response of 29 May 2018 to communication ACCC/C/2017/149.

The Committee has instructed the secretariat to write to Greece to clarify whether, in its response of 29 May 2018, the Party concerned sought to challenge the admissibility of the communication.

If Greece did not in fact seek to challenge the admissibility of the communication in its response of 28 May 2018, we would be grateful if you would simply confirm this fact.

If Greece did indeed seek to challenge the admissibility of the communication in its response of 29 May 2018, please clarify on which page and paragraphs of the response this challenge is made, and on which page and paragraphs the grounds to support the challenge on admissibility are set out.

We would be grateful to receive your clarification **by Monday, 1 April 2019**.

It would be appreciated if you could confirm the safe receipt of this message within the coming week.

Kind regards,
Fiona
