Dear Ms. Doyle, dear Mr. Chasiotis,

Re: Communication to the Aarhus Convention Compliance Committee concerning compliance by Greece with regard to public participation in the preparation of a transitional national plan (ACCC/C/2017/149)

On 3 August 2017, the secretariat of the Convention on Access to Information, Public Participation in Decision-making and Access to Justice in Environmental Matters (Aarhus Convention) received from you the above communication addressed to the Compliance Committee of the Convention. The communication concerns compliance by Greece with the provisions of the Convention in connection with its alleged failure to provide for public participation in the preparation of a transitional national plan under the European Union's Industrial Emissions Directive. The communication was submitted in accordance with the provisions of chapter VI of the annex to decision I/7 of the Meeting of the Parties.

The communication has been registered under the symbol ACCC/C/2017/149, which you are invited to cite in future correspondence on the matter. The main documentation relating to the communication is available on the Committee's web site at: <http://www.unece.org/env/pp/pubcom.html>.

The Compliance Committee, having considered the admissibility of the communication at its fifty-ninth meeting (Geneva 11—15 December 2017), has on a preliminary basis determined it to be admissible in accordance with paragraph 20 of the annex to decision I/7. A copy of the preliminary determination on admissibility is attached. Please note, however, that the Committee has not reached any conclusions with respect to the compliance issues referred to in the communication.

Please do not hesitate to contact the secretariat if you require any further information.

Yours sincerely,

Fiona Marshall
Secretary to the Aarhus Convention Compliance Committee
