Subject: Re: PRE/ACCC/C/2019/165 (Ireland) - Additional comments regarding admissibility from the communicant

Dear Ms Marshall

Thank you for your mail enclosing the further comments from Mr Foulkes re PRE/ACCC/C/2019/165.

I note that this submission is not in response to the questions from the Committee to Mr Foulkes. I also note that it raises substantial issues that will require further consideration to enable a full response.

Therefore, Ireland, as the Party concerned, requests, either that the Committee disregard this submission at its hearing on Monday or that it defer the decision on the admissibility of this communication until sufficient time has been given to the Party concerned to consider and to respond to the issues raised in the submission.

Kind regards,

Aoife Joyce
