**Subject:** PRE/ACCC/C/2019/169 (Hungary) - outcome of Committee's deliberations on preliminary admissibility at its 64th meeting

Dear colleagues,

At its sixty-fourth meeting (Geneva, 1-5 July 2019), the Compliance Committee considered the preliminary admissibility of communication PRE/ACCC/C/2019/169 concerning Hungary.

After taking into account the information received, the Committee agreed to defer its determination on the preliminary admissibility of the communication in order to seek further clarification from the parties, particularly concerning the use of available domestic remedies. The Committee will accordingly send questions to the parties for their reply in advance of the Committee's sixty-fifth meeting (Geneva, 4-8 November 2019).

Please do not hesitate to contact the secretariat, should you have any questions regarding the above.

Kind regards,

Fiona
