Subject: Re: Decision V/9d (Bulgaria) - further information from the Party concerned

Dear ladies and gentlemen,

Hereby we would like to express our regret that the Bulgarian government missed its chance to implement decision V/9d by the end of January, 2017, despite the fact that the Spatial Planning Act was amended by the Parliament on 25.01.2017 (<http://www.parliament.bg/bg/bills/ID/66467/>). In this amendment (<http://parliament.bg/bills/43/602-01-69.pdf>) were not included any proposals for access to justice with regard to act swchich contravene the environmental legislation.

With best regards,

Alexander Dountchev
