**SUBJECT: Decision V/9e concerning compliance by Croatia with its obligations under the Aarhus Convention**

Dear Ms Marshall,

We received your letter on Decision V/9e concerning compliance by Croatia with its obligations under the Aarhus Convention.

As it was reported on the Meeting of the Parties to the Aarhus Convention, Croatia has taken steps to ensure transparent framework and appropriate public participation during the preparation of municipal waste management plans. New Sustainable Waste Management Act (Official Gazette 94/13, para 22) introduced additional provisions in order to ensure transparent framework regarding public participation in the preparation of municipality waste management plans.

Sincerely yours,

MINISTER  
Mihael Zmajlović
